Re Sponsorship Opportunity Windsor Central Little League

Dear Sir or Madam:

My name is Sharon Wolfe and I am the Treasurer for Windsor Central Little League. The Cyclones are a very popular Little League baseball club for youths 19 years old and younger, based at Optimist Park.

Windsor Central Little League is a not-for-profit league and the 2010 season will mark our 46th year. Our Program allows youth the opportunity to participate in a well organized group atmosphere learning baseball, building character, camaraderie, and the value of good sportsmanship. These values learned will pay dividends to the community in the future.

There are however many expenses connected with running the club and we rely for funding solely on our own fundraising events and the support of local businesses. Due to the rising costs of equipment, and the City of Windsor assessed park user fees, we are canvassing at this time for Sponsors and Donations for the 2010 season. With your help we can keep our registration costs down which will allow for families to participate in the great game of baseball.

In return for your sponsorship we would of course be willing to wear your business name on our team shirts. Your business will also be listed as a sponsor on all our club literature and on our website. Our games are well attended by local parents and an increasing number of spectators from the local community. Also our website is an information portal for all Little League's in our district. This is a very inexpensive method of advertising as well as indicating your interest and concern for the children in our community.

We do hope that this is something you might be willing to consider. Attached is a sponsor application form. If you wish to sponsor a team, please indicate your team preference, if any. If you feel you cannot sponsor a team at this time, but would like to make a donation, please complete the attached form. A tax deductible receipt will be forwarded to you upon request.

Thank you for giving this your consideration and for helping to make this worthy program for youth a success.

Best Regards

Sharon Wolfe
